2011 Hall of Fame Inductee

Jonpaul's Salon and Spa for Men located in Johns Creek, GA has been voted Best of Atlanta every year since they opened in 2002. Therefore we find it appropriate nominate Jonpaul's as our 2011 Hall of Fame Inductee.

"Manly" and "spas" don't normally coalesce, but Jonpaul's and its country club aura excel in equating the two. Services include massages, nail grooming, tonsorial (barbering) services, but the twenty-five-step Deluxe Shave with hot towels and scented oils makes you feel like a master of the universe.
